

**IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF PENNSYLVANIA**

ALI RAZAK, et al. v. UBER TECHNOLOGIES, INC., et al.	CIVIL ACTION NO. 16-573
---	--

PRETRIAL ORDER

AND NOW this 1st day of February, 2024, following a recorded telephone conference with counsel this date, concerning a “structure” of the upcoming trial scheduled to begin on March 4, 2024, it is **ORDERED**:

1. Counsel shall continue their discussions about the “structure” of the upcoming trial on the topics discussed.
2. Each party shall file a “status report” concerning their discussions in an attempt to reach a stipulation as to “material facts,” whether to have a jury trial as to any issue, by 4:00 p.m. on Tuesday, February 6, 2024, limited to five pages, double-spaced.
3. The Court will have a recorded telephone conference on these topics on Thursday, February 8, 2024 at 11:00 a.m. Counsel shall use the following conference call dial-in bridge to participate in this conference:

AT&T Conference: 1-888-278-0296
Access Code: 5899406#
4. It is the Court’s preliminary view, that if the parties are able to stipulate that a certain number of “material facts” are undisputed, that a non-jury trial under Rule 52 can proceed, with each party reserving its position as to other facts in dispute, and if they are deemed by the Court to be “material,” a jury would be empaneled at some future date.
